FINE ART PRINTING FOR ARTISTS & PHOTOGRAPHERS

Welcome to the April Newsletter!

An exciting exhibition at the Babylon Art Gallery in Ely

**Three Sisters: An Art Journey**

The exhibition brings together local Ely artist, Linda McCord with her two sisters, Helen Mangan from Dublin and Mary O'Mahony from London.

All three of the artists share a love of art and though they each enjoy different ways of creating in their home cities, their familial Irish roots help them to produce works that are colourful and joyful.

We were honoured to produce series of limited edition prints for the Three Sisters exhibition.

If you are interested exhibiting with Babylon Gallery, you can submit your proposal directly to them.
