FINE ART PRINTING FOR ARTISTS & PHOTOGRAPHERS

100% COTTON

New Art Papers

The wonderfully textured William Turner Hahnemühle paper and the ultra smooth Canon Infinity® ARCHES® 88 are now both available.

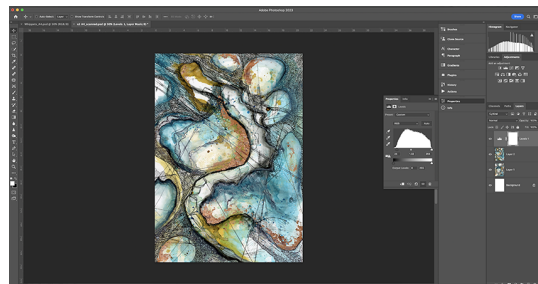

ARCHES® 88 has a pure white tone and is completely free of any optical brighteners.

While the Hahnemühle William Turner has a fine yet highly pronounced felt structure that gives photographs and art reproductions a striking depth and three-dimensional effect.

IN-HOUSE NEWS

Artwork Scanning

The newest edition to our production studio is the Max the Scanner - for this very picky artwork that it is better to be scanned for digital reproduction. Max can scan anything to an insanely high resolution and mind-blowing detail.

EXHIBITIONS

Howardena Pindell

Kettle's Yard is pleased to present *Howardena Pindell: A New Language*, the artist's first solo institutional exhibition in the UK.

Largely known for her monumentally scaled abstract canvases, Pindell has expanded the definition of what abstract painting can be through her inclusion of glitter, paper circles made from punched holes, and the layering of mixed media and scent.

New MUSE Artist

PETER CORR

Peter Corr's highly textured and expressive cold wax landscape paintings are very much in demand and he has had considerable success at the Battersea and Hampstead Affordable Art Fairs. In November, his new work can be seen at the Linton 59 stand at the Edinburgh Art Fair from 17th - 20th November. The [Darryl Nantais Gallery](#) in Linton has a large collection of his paintings from intimate smaller studies to dramatic large scale 150 x 100 cm statement pieces
